

Pre-Testing Expectations

Pre-Testing is an opportunity for the instructors and masters to assess your progress as you advance through the ranks. Below are the expectations for pre-testing:

- Pre-Testing is a TESTING environment. Students should perform their best in all aspects of TKD, including: technique, power, focus, courtesies, respect, as well as be coachable and teachable.
- Attendance requirements must be met for the rank you are testing. You are responsible for keeping your personal attendance records at home; however the computer attendance database will be used to determine if you have met the required number of classes. If you are short 2-3 classes for testing, you must speak with your instructor to determine your eligibility to test for the next rank.
- Pre-Testing is a minimum of three hours for students testing for 7th Gup (orange) and up, beginning at 5:00 PM. If you are unable to attend all three hours, you must speak with Master Cromwell to determine your eligibility to test.
- Students testing for 7th Gup (orange) and up are required to spar and should bring appropriate gear and mouthpiece.
- At the close of pre-testing, you should check with the Black Belt instructor leading the pre-testing class to determine your eligibility to test for the next rank.
- Tuition dues must be paid through the month you are testing before you are eligible to test. If this is a problem, you must speak with Master Jamie Cromwell.
- Before you are eligible to test for 8th Gup (yellow), you must join Victory Chung Do Kwon TKD Association and have paid membership dues for the current year. Dues are collected in January. See Master Jamie for details.
- Testing fees are \$20 per person, bring a check to testing made payable to Open Door Tae Kwon Do. Mighty Kid testing fees are \$10 per child.
- All necessary forms (Community Service, Intention to Promote, & verse list) are available on the website (opendoortkd.net) under STUDENT INFO and should be completed and brought on the testing day.
